Dr. Thomas Ragukonis
Bergen Pain Management
37 W. Century Rd.
Paramus, NJ 07652

Dear Dr. Ragukonis,

Words cannot accurately describe the incredible feedback received by the Tomorrows Children's Fund from the families involved in the McLaren/Giants Outing on Sunday. The patients said it was one of the most exciting days of their lives. You created a day filled with so much love, laughter and excitement. Every detail was beyond perfect. One of our favorite comments comes from Johnny, who said, "When, I grow up, I am buying a turquoise McLaren".

TCF has been helping kids fighting pediatric cancer and other serious blood disorders for over 35 years by providing emotional and financial support to them and their families. While we have achieved many milestones over these 35 years, the McLaren/Giants really stands out for the joy and excitement it brought to these young people as they face lengthy medical treatments and procedures.

Your support for our foundation enables us to continue the many essential programs and services we provide for these children and their families. The Tomorrows Children's Fund has strived to meet their needs and ease their pain during this stressful, overwhelming time. To have these dreams realized is remarkable - yet we have so much more to accomplish!

Thank you so very much for your generosity and dedication to these very special and wonderful kids. The ride to Giant's Stadium and the time spent watching the game from the exquisite suite will never be forgotten. Through your overwhelming generosity, the kids' dreams became a reality, and for that, we thank you from the bottom of our hearts. Moreover, the publicity you generated for Tomorrows Children's Fund will benefit these kids and the many other kids undergoing treatment, in ways that one cannot presently imagine.

Warm Regards,

Donald Caminiti
